## Saint Paul Police Professional Development Institute Survey / Questionnaire Form

"Training is designed to fill the gap between desired optimum performance and actual performance."

With this in mind, please answer the following questions: (Use reverse side if needed)

---

1. What skills or competencies are not being addressed by training courses or classes currently offered by SPPPDI, but which you see need to be addressed in order to fill the gap between actual performance and optimum desired performance?

2. Which schools, courses, classes, or instructors would you recommend SPPPDI host to meet the need you identified in question #1?
